2 AIM

All Nations Christian College would like you to have a positive experience in your dealings with us. However, we understand that we do not always get everything right. Should you be unsatisfied with the way you have been treated, you may wish to make a complaint. The majority of such concerns can usually be dealt with informally through discussion, but if your concerns cannot be addressed informally, this policy and procedure will enable you to make a formal complaint or appeal.

3 LEGISLATIVE FRAMEWORK

The College will comply with the Equality Act 2010 and the Data Protection Act 2018 and UK GDPR when dealing with complaints and appeals in addition to its own and The Open University's rules and regulations, where applicable. Complaints also comply with the Consumer Protection Act 2015. This document has also been written in compliance with The Good Practice Framework: Handling Student Complaints and Academic Appeals by the Office of the Independent Adjudicator.

4 DEFINITION

For the purposes of this document, a complaint is an expression of dissatisfaction by one or more people about the action or lack of action by All Nations Christian College, or about the service provided by or on our behalf, about which an individual is unhappy and seeks action by the College. Examples of complaints include:

- Failure by the College to meet obligations including those outlined in any of the College Handbooks or Policies and Procedures or a Bookings agreement.
- Misleading or incorrect information in prospectuses or promotional material and other information provided by the College.
- Concerns about the delivery of a programme, teaching or administration or other service.
- Poor quality of facilities, learning resources or services provided directly by the College.
- Complaints involving others providing a service on behalf of the College.

5 SCOPE

- 5.1 Complaints can be made by anyone who is dissatisfied with a service or lack of a service they could reasonably expect to have received from the College.
- 5.2 Staff members should follow the Grievance Policy and Procedure in the Staff Handbook if their complaint relates to their employment.
- 5.3 The term 'student' refers to students who have registered on their course. It also includes those who have recently left, although former students will only usually be able to raise issues of complaint within 30 calendar days of being informed of their final award.
- 5.4 Students will usually submit a complaint themselves. However, should they wish, provision has been made for students to be accompanied by or represented at any investigation interview by a supportive friend (See below)
- 5.5 Group complaints are permissible where the issue raised affects a number of people. In such circumstances, in order to manage the progression of the complaint, we ask the group to nominate one person to act as a group representative; this person may also be supported by one other person.
- 5.6 Only in very exceptional circumstances, and only when compelling evidence has been produced to back up the complaint, will the College investigate an anonymous complaint. However, this would not be the normal practice. Anonymous complainants must be aware that raising a concern anonymously could, in most cases, impede the investigation and communication of the outcome.

6 COMPLAINT POLICY PRINCIPLES

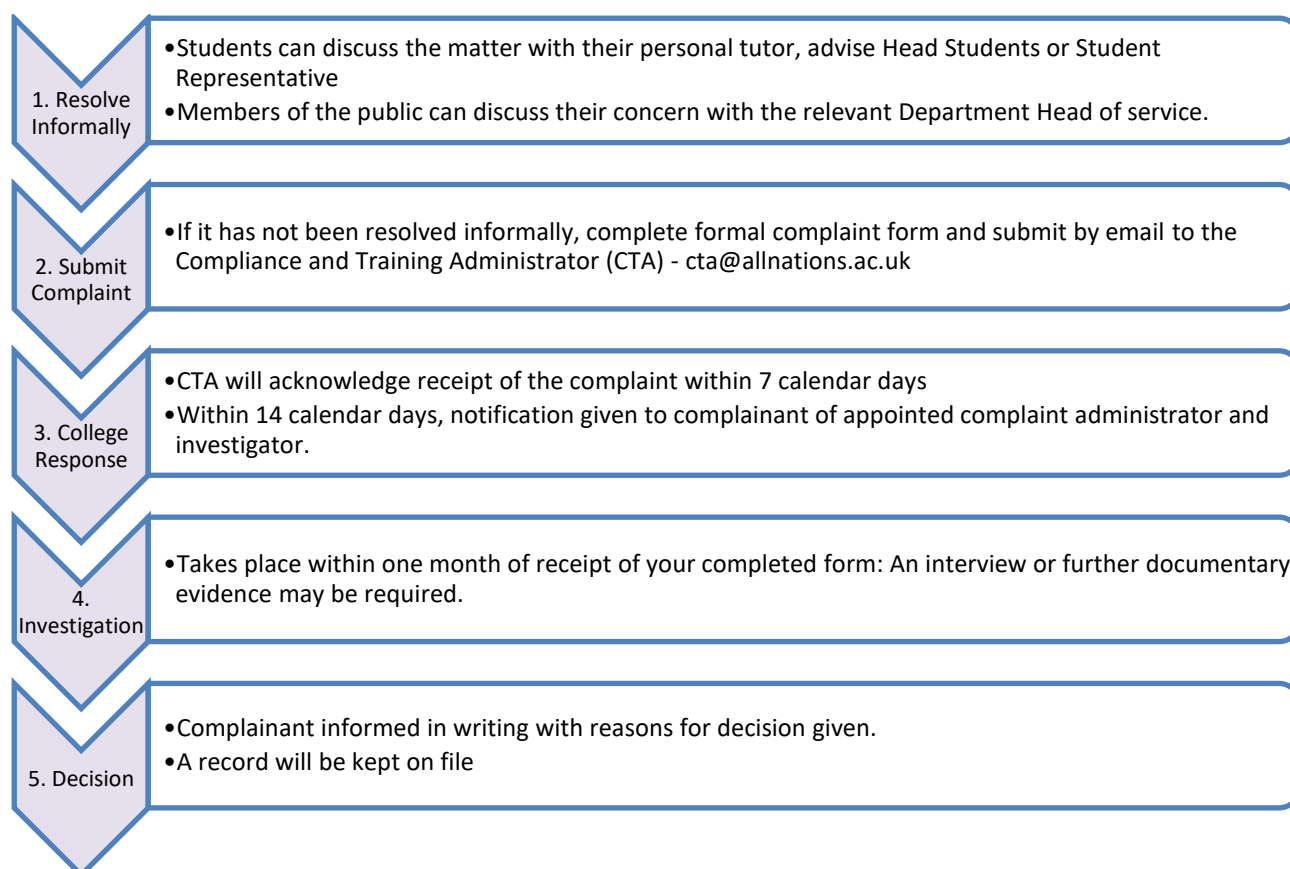

The guiding principles of all the College complaints appeals and review procedures are as follows:

- 6.1 Any person dissatisfied with College services should be encouraged to make this known at the place and time of their dissatisfaction to the person directly involved.
- 6.2 The first person to be advised of the complaint should, if appropriate, aim to resolve the difficulty, ensuring that the relevant College policies and procedures are followed. If it is not appropriate for this member of staff to deal with the complaint, it should be referred as soon as possible to the Compliance and Training Administrator who will direct the complaint to the most appropriate person, this could be the Head of Operations, a Programme Leader, Department Manager etc.
- 6.3 We aim to respond to any enquiry or complaint confidentially, fairly and promptly and in accordance with the College's [Equality and Diversity Policy](#). Staff aim to be courteous to the complainant, responding positively and, wherever possible, offering constructive solutions.
- 6.4 All complaints will be managed in a sensitive way and with due regard to the College's [Data Protection Policy](#). Whilst it is understood that complainants may wish some evidence (e.g. a witness statement or medical evidence) to remain confidential, this may not always be possible without hampering a thorough investigation of the facts. In these circumstances, therefore, the college will discuss with the complainant the best way to approach the submission of evidence before releasing all or some of the evidence to the investigating officer or any others involved in the investigation.
- 6.5 The College will ensure that parties to an investigation are supported pastorally. Parties may also choose to be accompanied by or represented at any meetings by a supportive friend. This must be someone independent of the circumstances that gave rise to the meeting and therefore needs to be a different person than the one offering them pastoral support through the process.

- 6.6** Informal complaints will be acknowledged within 7 calendar days and investigated, wherever possible within 14 calendar days of receiving all the relevant information and the Principal/CEO notified.
- 6.7** Formal written complaints should be recorded, acknowledged within 7 calendar days and the investigation concluded within 60 calendar days of receiving all the relevant information, and the Principal/CEO notified. The complainant will be informed in the event of any unavoidable delay and its reason given, for example staff unavailability.
- 6.8** If a review/appeal is requested, they should be recorded, acknowledged within 7 calendar days and investigated, wherever possible, within 30 calendar days of receiving all the relevant information and the Principal/CEO notified. The complainant will be informed in the event of any unavoidable delay and its reason given.
- 6.9** The processing of the formal complaint and any subsequent review should take no longer than 90 calendar days. This requires the student to meet any College deadlines for the submission of material. If there are good reasons for extending the timeframe, the complainant will be notified of any delays and regularly informed of progress and the complainant shall similarly notify the College.
- 6.10** Complaints involving more than one issue may, in some cases, require the resolution of one complaint/appeal before dealing with another. This may necessitate having a discussion with the complainant regarding the best way to resolve the whole situation satisfactorily.
- 6.11** See 5.5 and 7.10 for Group complaints. The complainant will always be informed of the outcome of an investigation or appeal in writing and with reasons given for the decision that has been reached. The complainant will be informed at the same time of any further appeal processes which may still be available to them.
- 6.12** Any review/appeal will be heard by someone who was not involved in the original investigation. The complainant will be informed in the event that there is going to be any unavoidable delay.
- 6.13** A formal detailed record will be kept of all formal investigations, appeals/reviews.
- 6.14** No-one will be disadvantaged by making a complaint.
- 6.15** The complaint may be withdrawn without prejudice at any time during the process. (The College must be informed in writing. Any decision made by the College at the previous stage in the procedure will then be upheld and become the final outcome.)
- 6.16** The College will not investigate any formal complaint or review/appeal which it considers to be frivolous or vexatious. The Principal/CEO, in consultation with other members of the SLT, have the responsibility for making this determination.
- 6.17** All Complaints' policy and procedures should be available to all, monitored regularly, and reviewed and evaluated periodically.

COMPLAINTS PROCEDURES

7 STEP BY STEP GUIDE TO MAKING A COMPLAINT

a. Resolve the Issue Informally

- 7.1** Whatever your complaint, we would urge you first to always stop and pray about the situation and your response. The next step, where appropriate, is to speak informally with the person(s) most concerned. In this way misunderstandings can be clarified and errors hopefully resolved to everyone's mutual satisfaction, with no further action being necessary.
- 7.2** Students may wish to consult their personal tutor or the Head Students about a grievance. The Head students meet weekly with the Principal/CEO and Head of Operations specifically for information exchange and to air student issues. Each level of study also has a student representative who meets termly with various College Boards/Committees to represent student's views about the programmes and/or programme delivery.
- 7.3** Members of the public should discuss their dissatisfaction with the department head of the service they have been using or trying to use (e.g. Librarian, Conference Manager, Head of Operations).

b. Check This is the Correct Procedure to Use

- 7.4** This is the policy and procedure you should follow if you wish to express your dissatisfaction with either the service or lack of service we have provided, and seek action by the College. It must relate to services that you were led to believe would be provided or the delivery of services you received.
- 7.5** The College [Academic Appeals Policy](#) should be followed if you wish to request a review of a decision taken by an academic body (i.e. tutor, moderator or Examination Board) charged

with making decisions about student admissions, progression, assessment and awards. However, such a review may not question the academic judgement of academic staff.

- 7.6 A complaint concerning unreasonable delay in returning work would be dealt with by the Complaints Procedure and not the Appeals Procedure since the complaint concerns dissatisfaction with the administration service rather than any academic decision.
- 7.7 If you wish to express a concern about someone's behaviour, you may need to follow one of the following policies, depending on the circumstances:
- [Student Disciplinary Policy](#) or Staff Disciplinary Policy
 - [Bullying, Harassment and Sexual Misconduct Policy](#)
 - [Fitness to Study Policy](#)
 - [Safeguarding Policy](#)
- 7.8 All policies contain a section containing information about how to request a review of the decision reached regarding your complaint/concern and the permissible grounds for doing so.

c. Submit Your Formal Complaint

- 7.9 To make a formal complaint you must complete the **formal complaints form**, which can be found in the appendices to this document.
- 7.10 If it is a group complaint, nominate one member of the group to make the complaint on the group's behalf.
- 7.11 Please express your concerns clearly and succinctly and provide evidence to substantiate the issues raised wherever possible. Such evidence may include independent medical evidence, reports by professionals, financial information or witness statements.
- 7.12 The completed and **signed** form, together with all your supporting evidence (paper or electronic copies are acceptable, should be given to the College Compliance and Training Administrator, by email to cta@allnations.ac.uk.
- 7.13 All complaints will be managed in a confidential and sensitive way. Whilst it is understood that you may wish some evidence (e.g. a witness statement or medical evidence) to remain confidential, this may not always be possible without hampering a thorough investigation of the facts. In these circumstances therefore the College will discuss with you the best way to approach the submission of evidence before releasing all or some of the evidence to the investigating officer or any others involved in the investigation.
- 7.14 If a complaint involves more than one issue, which do not fall neatly into one category of complaint/appeal, the College will discuss with you the best way to proceed in order to resolve all the issues as quickly and fairly as possible. This may, in some cases, involve resolving one complaint before dealing with another.

d. The College's Response

- 7.15 The CTA or their nominee will within 7 calendar days acknowledge receipt of the complaint and the Principal/CEO or his nominee notified.
- 7.16 You will be notified, no later than 14 calendar days after submission of the complaint, of the names of the persons who have been appointed as complaint administrator (if appropriate) and investigator. They will also confirm which complaints procedure is going to be followed.
- 7.17 The investigator will usually be someone who is independent of the circumstances which gave rise to the complaint e.g. a member of the Senior Leadership Team.
- 7.18 In rare circumstances, e.g. when there are no independent staff in the College who were not involved in the original circumstances which gave rise to the complaint, the College will seek to find someone else to carry out the investigation, for example an external member of one of the College Boards.

e. The Investigation

- 7.19** If a complaint involves more than one issue which does not fall neatly into one category of complaint/ the College will discuss with you the best way to proceed in order to resolve all the issues as quickly and fairly as possible. This may, in some cases, involve resolving one complaint before dealing with another.
- 7.20** The investigation should last no longer than 60 calendar days. You will be kept informed at all stages of the progress of the investigation by the compliance administrator CTA or person leading the investigation. NB If you are late in responding to a request for further information this may cause a delay.
- 7.21** All complaints will be managed in a confidential and sensitive way. Whilst it is understood that you may wish some evidence (e.g. a witness statement or medical evidence) to remain confidential, this may not always be possible without hampering a thorough investigation of the facts. In these circumstances therefore the College will discuss with the student the best way to approach the submission of evidence before releasing all or some of the evidence to the investigating officer or any others involved in the investigation.
- 7.22** If the investigator feels it would be helpful, an interview may be arranged with you or other parties involved in the complaint to, for example, clarify facts or share information before reaching a conclusion. You may be accompanied by or represented at this meeting by a supportive friend. Minutes will be taken at such a meeting.
- 7.23** This meeting may result in further documentary evidence needing to be accessed or reviewed before a final decision can be reached.

f. The Decision

- 7.24** You will be informed of the outcome of the investigation in writing, and with reasons given, within seven working days of the outcome being known. You will also be informed at the same time whether you have any grounds for an appeal, and the options open to you.
- 7.25** A record of any complaint and the resolution will be maintained in the complainant's file if they are a member of the College community or by the Head of Operations if by a visitor to the College.
- 7.26** The outcome could include a member of the community being required to attend a disciplinary hearing.

8 STEP BY STEP GUIDE TO APPEALING AGAINST THE DECISION

a. Check you have Valid Grounds to Appeal

- 8.1** You cannot appeal simply because you disagree with the decision reached. The only grounds for requesting a review of the decision are:
- if you were treated unfairly.
 - the College did not follow its procedures properly, or
 - if you have material information you were unable or, with valid reason, unwilling to divulge to the original investigator when it made its decision.

b. Submit Your Formal Request for a Review

- 8.2** To request a review, you must:
- Submit a signed and completed **Formal Review** form to the College Compliance and Training Administrator, by email to cta@allnations.ac.uk, within 14 calendar days of receiving the judgement of the complaint. This form is attached as an appendix to this document. This will be acknowledged within 7 calendar days.
 - Provide any additional supporting evidence with, where appropriate, an explanation of why this was not submitted with the original complaint. Without a reasonable explanation, further evidence will not be accepted.

- 8.3** The review/appeal will be heard by someone who was not involved in the original investigation and will occur within one calendar month of receipt of your completed form and supporting evidence. You will be informed in the event that there is going to be any unavoidable delay, with reasons given.
- 8.4** You will be informed of the outcome of the appeal in writing, and with the reasons given within 7 working days of the outcome being known. You will also be informed of any further appeal process which may still be available to you.

c. Escalating your Concern

- 8.5** The resolution of your review/appeal will include any options you may have of escalating your concern to an external body.
- 8.6** Once the College's processes have been exhausted, the College can issue you with an outcome letter. If you are still not satisfied you can contact The Open University for the next and final step of the process (see 8.8 below).
- 8.7** Following investigation, The OU will issue a Completion of Procedures letter to the student. Only when The OU has issued a CoP letter can you (if still dissatisfied) go to the Office of the Independent Adjudicator (OIA) (see 8.9 below).

d. Appealing to External Bodies

- The OIAHE can only consider unresolved complaints from students **after** the College's and the OU's own complaints and appeals procedures has been concluded and you have been given a Completion of Procedures letter by The Open University (see 8.7).
- Full details on the OIA scheme can be found at: <http://www.oiahe.org.uk>

As a registered charity you may also have recourse to the Charity Commission (see [here](#)).
